

COMMISSIONING & INAUGURATION

50.0 kW (52.0 kWp) Rooftop Solar Power Project At Smt. Kesarbai Soni Hospital, Shastri Nagar, Bhilwara

MITCON has installed & commissioned 50 kW (52 kWp) rooftop solar power project at Smt. Kesarbai Soni Hospital, Bhilwara. Project work started in April 2018 & commissioned on June 23, 2018. With 160 solar panels, project is capable of generating more than 92,160 units annually which will result in 90 tons of carbon dioxide emission reduction. Soni Hospital, promoted by Sangam Group of Industries, was established in 1993. With above solar project, Soni Hospital will not only reduce its energy costs but also will run on green power.
